Professional Experience

Instructional Services, Eli O. M Library, Idaho State University
Teaching Assistant Intern (CPI), 09/05/2017 to 02/01/2018

Assisted professor in researching new materials that are useful for students in the class. Developed online tutorials, info graphs, and PowerPoints to assist students in better learning the course materials.

- Worked in a team in a library project to develop online tutorials for finding research materials at Idaho State University Library.
- Regularly communicated with the professor to review and organize the weekly tasks.
- Supervised and guided students in class to make the course tasks and projects clear.

Bannock Youth Foundation, Pocatello, Idaho
Direct Care Provider/ Supervisor (CPI), 01/05/2017 to 10/01/201

Supervised group of 4 teenagers that spent time in Juvenile due to some legal issues in a group home managed by government.

- Helped the teenagers follow their schedule to do basic thing that adults do such as job and college search, drive, etc. to be prepared to leave independently after a year.
- Guided them to excel in their daily schedule, tutor them through their classes and motivate to do better in their job
